ASSEMBLY INSTRUCTIONS

Made In China

Thank you purchasing this quality product. Be sure to check all packing material carefully for small parts, which may have came loose inside the carton during shipment. Count all parts and material hardware, then compare with parts list to be sure all parts are present. If any parts are missing or damaged, phone, fax, or mail to our Customer Service Department for efficient and speedy service. Please indicate the model number and code letter of part(s) needed.

IMPORTANT NOTE: Follow instructions listed below in proper sequence as numbered to assure fast, easy and correct assembly.
